Dear Mr. Lee

I am thrilled to recommend Achanya Sunday Johnson for the digital marketing manager position at Saber marketing & PR. As the marketing director at A&B media, I had the pleasure of working as Achanya's Supervisor when he was employed here as a marketing associate. Responsible, punctual and extremely bright, Achanya was among the best talent at A&B Media, and I absolutely endorse her qualification and her skill set.

I was continuously impressed by the knowledge she brought to the table and her dedication to staying on top of the latest in the field. Achanya combines sharp analysis skills with a strong intuition, and I always knew I could rely on him to meet deadlines and exceed our expectations. During her two years with us, he achieved numerous accomplishments, from increasing our social media engagement by 20%, to lowering our website bounce rate by 10%, to increasing our ROI on digital campaigns by 15%. Achanya's professional acumen was immensely valuable to A&E Media; he was also a wonderful team player. Optimistic, engaging and easy to get along with, Achanya was a true joy to have in the office and fostered many positive relationships within our departments as well as throughout the company.

With that said, I am confident in my recommendation and believe that Achanya would be a great fit for Saber Marketing & PR. If you would like to speak further about my experience working with Achanya, please email me at linearconstructioncompany@gmail.com or call me at +2349058851079.
