SPECIAL REQUEST TO PURCHASE MUSICAL INSTRUMENT

Dear,

By the mercies of God, who has kept us and sustained our company through every season, I greet you with a heart full of gratitude. His faithfulness endures, and His love continues to bind us together as one family in Christ.

I write to you today with a humble appeal that touches the very heart of our worship and witness. Music has always been the language through which we express our joy, our surrender, and our praise to the Almighty. It is through melody and harmony that we draw closer to God and invite others into His presence.

Our company stands in need of instruments that will enable us to lift our voices more fully in worship and service:

- **Drum Set** – ₦550,000
- **Trumpet** – ₦145,000
- **Alto Saxophone** – ₦300,000
- **Trombone** – ₦300,000
- **Euphonium** – ₦400,000

Total: ₦1,695,000

I understand that these are challenging times, and that giving requires sacrifice. Yet I am reminded that the widow's mite was precious for the love with which it was given. Whatever you can contribute will be received with profound thanksgiving and used faithfully in advancing God's kingdom through our company.

Your support will echo in every song we sing, every soul we reach, and every life transformed through our ministry. May the Lord bless you abundantly and meet your every need according to His riches in glory.

With deep appreciation and Christian love,

Terkuma Shoja
