
OFFER OF APPOINTMENT

Dear **Agbo Candidus Polycarp**,

Congratulations on your successful interview with Stallion Technologies Ltd.

We will be pleased to offer you a property management placement, with responsibility to work on behalf of stallion Technologies at 15 Admiralty way Lekki as a technical property Superintendent, following a successful completion of our organization Training. We are delighted to get started on this process with you.

Here are the Offer Terms:

1. Our Property Management Superintendent will be responsible to handle daily as designated for property project development and other related duties which would be included subsequently
2. The placement would be for an employment salary as a staff employee for a 12 months' placement, with the opportunity to renew annually as determined by the company.
3. Serve as the on-site point of contact, providing updates to management on the general condition of the property and ongoing activities of the property management company Jide Taiwo & Co and the tenants at 15 Admiralty way and our other Lagos base properties
4. Monitor technical, electrical, plumbing, sanitary and safety conditions within our properties and report incidents or risks to our technical department manager and help coordinate such corrective actions with the property management Jide Taiwo & Co.
5. Carry out regular inspections of the buildings and common areas and report any defects or concerns promptly.

A monthly remuneration for Property Management Superintendent

- salary pay at N110K per month

You are expected to resume on Tuesday, 10th February, 2026
