Subject: Transfer of LLC Ownership Interest

Dear Cynthia

I, Dan Austin, hereby transfer all of my ownership interest in Healthy Women's Care to you, effective as of 12/16/2025. This includes 100% of the membership interest, which I acknowledge you have effectively owned and managed for the past 10 years.

This transfer is made to reflect your sole operation of the business and does not require any compensation or affect the LLC's obligations before the transfer date.

Please ensure that the LLC's operating agreement, tax filings, and any other necessary documents are updated to reflect this change in ownership.

Sincerely,

Dan Austin
