Full Stack Developer

EDXL LEARNING INNOVATIONS

Duration: JULY 2023 - Present

- As a React (TypeScript). I play a key role in our projects by:
- Developing intuitive and responsive user interfaces using React.js and TypeScript.
- Collaborating with cross-functional teams to translate requirements into functional solutions.
- Writing clean and scalable code, ensuring maintainability and performance.
- Integrating back-end APIs seamlessly with the front-end using RESTful principles.
- Conducting thorough testing and debugging to ensure application quality and stability.
- Participating in code reviews and promoting knowledge sharing among team members.
- Staying updated with industry trends, continuously expanding my skillset.
- Contributing to impactful projects using cutting-edge technologies.

Skills

- Programming: JavaScript, TypeScript.
- Markup : HTML, CSS
- Library : React.JS.
