## About Me

In a world where language and healthcare intersect, the role of a pharmacist often goes beyond dispensing medication. Meet Ibe Divine, a seasoned professional who has not only embraced the science of pharmacy but has also found a unique niche in the world of writing. With a vibrant passion for storytelling, an eye for editing, and a talent for crafting informative articles, Divine has become a trusted voice in the realm of medical writing.

## Experience

### Dear Believer 2020 - 2021

*Short story*

I wrote a short story about the hopelessness that befalls a man or woman outside Christ, and the freedom and peace of mind that accepting Christ does to a man

### Chisom Anoke 2023 - present

*Ghost Writer*

I wrote several articles titled overcoming stigma, sperm donor, processing and compensation, introductory article about certain persons of note in the digital media industry

## Education

### 2015-2021

*UNN*

Graduated from the department of pharmaceutical sciences in 2021

### Bachelor of Pharmacy

### 2021- 2023

*Sidehustle internship*

I took several courses on content writing, learning how to write better to deliver what my clients wanted from me
