ABOUT ME

Highly skilled Data Analyst with proven expertise in analyzing complex data sets, identifying trends and patterns, and providing actionable insights to drive business growth. Proficient in statistical analysis and data visualization tools. Seeking a challenging role in a data-driven organization to leverage my analytical skills and contribute to data-driven decision-making processes.

Skilled in Microsoft Excel, Power BI, Tableau and SQL.

EXPERIENCE

DATA ANALYST

Oct 2015 - Apr 2023

Weststar Associates Limited

- Analyzed large datasets to identify trends and patterns, providing valuable insights that influenced strategic decision-making for the organization.
- Developed and implemented data collection methodologies and streamlined data cleansing processes, resulting in a 30% reduction in data errors and improved data accuracy.
- Created and maintained interactive dashboards and reports using visualization tools such as Tableau, enabling stakeholders to easily understand complex data and make data-driven decisions.
- Collaborated with cross-functional teams to identify business needs, translated them into data requirements, and successfully delivered tailored analytical solutions, contributing to a 15% increase in operational efficiency.
