CAREER SUMMARY

Professional Registered Nurse capable of charge nurse and preceptor responsibilities. With over 4 years of experience I am committed to providing compassionate care to all patients. Experience in working at 2 Level 1 trauma facilities in 2 different states showing ability to adapt to state policies. I have extensive knowledge of care of infants to adults from my case management background to patient care in the hospital. During my timing working as a Case Manager, I obtained my Lactation Consultant Certification allowing me to provide support and information about techniques in breast feeding to my clients. I also have an ACLS, BLS, NIHSS certifications allowing me to be more marketable.
