Work Experience

Assistant Manager

The Finish Line Inc. - Gaithersburg, MD

August 2019 to April 2021

Assistant manager role consisted of me having to delegate the tasks in which the store manager would normally give if an assistant manager position was absent such as scheduling opening and closing the store as well as maintaining inventory and the sales floor.

Account Executive

Leon Management Group - Rockville, MD

January 2019 to May 2019

Contacted lists of prospective customers from sales leads

Travelled throughout assigned territory to call on regular and prospective customers to develop and close sales.

Consulted with clients and determines the best solution for the identified business problems.

Quoted prices and credit terms and prepares contracts for orders obtained. Works to develop business relevant solutions for clients.

Prepared and delivered daily sales statistics as directed by manager.

One on one sales based interaction with customers.

Developed and maintains strong customer business relationships throughout the entire buy cycle.
