👤 PROFILE

Family Nurse Practitioner with experience in providing primary care services. Proven track record of successfully running my own clinic, with a strong focus on telemedicine and remote patient management. Skilled in conducting thorough assessments, developing treatment plans, and collaborating with interdisciplinary teams to improve patient outcomes. Looking to obtain a position as a remote telehealth Nurse Practitioner and provide competent and holistic care.

📁 EMPLOYMENT HISTORY

Family Nurse Practitioner, Houston

January 2022 — Present

- Successfully ran my own clinic, providing primary care services to a diverse patient population
- Conducted telemedicine visits for approximately half of my patients, becoming highly proficient in remote patient management
- Collaborated with interdisciplinary teams to develop comprehensive treatment plans and improve patient outcomes
- Demonstrated strong communication and interpersonal skills, building positive relationships with patients and their families

EMERGENCY DEPARTMENT

January 2019 — January 2022

- Provided acute patient care in emergency departments throughout Texas with achievement of desired patient outcomes.
- Monitored and provided stabilization of critical patients including ventilated patients needing vasoactive and sedation medications.
- Took on the role of charge nurse for the ED, directing and facilitating nursing staff and ensuring appropriate care.
