Highly motivated and recently graduated with a B.Tech degree in Computer Science and Engineering from Uttarakhand University. Possessing a strong foundation in Java, I have obtained a certification from NPTEL. Additionally, I have completed comprehensive training in Full Stack Web Development from Udemy. Proficient in HTML, CSS, JavaScript, PHP, and MySQL. As a fresher, I am eager to contribute my knowledge and drive to a dynamic organization. My objective is to become a successful IT developer by continuously learning and growing in the field.
