Professional Experience

VIRGINIA COMMONWEALTH UNIVERSITY HEALTH, RICHMOND, VIRGINIA

Clinical Nurse – Main Operating Room, Orthopedic Surgery Team, January 2015 – April 2017; June 2018-present)

- Consulting and coordinating with interdisciplinary teams to assess, plan, implement, and evaluate patient care throughout the peri-operative process.
- Acting as liaison between members of the Operating Team and patient family.
- Advocating for the patient and their wishes while the patient is unable to do so for themselves.
- Monitoring sterile fields and implementing changes as needed to ensure patient safety and positive patient outcomes.
- Teaching students and new employees of Nursing and Surgical disciplines.

VIRGINIA COMMONWEALTH UNIVERSITY HEALTH, RICHMOND, VIRGINIA

Clinical Nurse – Emergency Department, April 2017 – June 2018

- Collaborated with an interdisciplinary team to provide optimal healthcare while coordinating with outside resources to ensure realistic, long-term socioeconomic related outcomes for patients.

- Provided care and education to patients of various acuity levels in a time-restricted and fast-paced environment.
- Analyzed diagnostic tests along with patient history and physical to develop a clinical picture for individualized patients and to anticipate patient care needs.

BALTIMORE VA MEDICAL CENTER, BALTIMORE, MARYLAND

Student Nurse Technician VALOR, June 2014 - August 2014 (400 hours)

- Worked with a preceptor to care for veterans presenting to the Emergency Department.

RADFORD UNIVERSITY, RADFORD, VIRGINIA

Research Assistant for Gini Weisz PhD, WHNP, Nov 2013 – June 2014

- Collaborated with other researchers in the planning, implementation, and evaluation of surveys.

WALDRON COLLEGE INTER-PROFESSIONAL SYMPOSIUM AND EXPO, RADFORD, VIRGINIA

Spotlight Speaker, April 2014

- Presented, as a part of the research team, on our study on the perceived effectiveness of chiropractic practice on various health problems, and specifically on the Institutional Review Board process.

Professional Development

NURSING RESIDENCY PROGRAM, VCU HEALTH, RICHMOND, VA

January 2015

- Completed evidence based research exploring methods to increase compliance among Operating Team members in regards to surgical plume management.
- Attended monthly meetings centered on practice development.

Community Service

MEDICAL MISSION TRIP, TOLEDO DISTRICT, BELIZE

Volunteer, January 6 - 16, 2015

- Created educational materials pertinent to women's health, nutrition, and basic head-to-toe assessments for use by other interdisciplinary team members and by the village healthcare worker.
- Educated village healthcare worker on how to obtain and assess vital signs, how to perform a head-to-toe assessment, and how to determine if patients require immediate, more advanced medical attention.

Organizations
