Nurse Practitioner Student

Hazard Clinic - Hazard, KY
December 2013 to March 2014

Responsibilities

FNP practicum rotation for adult and pediatric health care.

RN Field Service Coordinator

WellCare Health Plans
August 2011 to November 2013

I am the case manager for over 500 members, in 5 counties, providing care and resources for each member. I was also chosen to be the spokesperson representing my district at our corporate meeting, in which I presented a case management plan and an outreach coordination plan for the members in my district to all the associates in the state of Kentucky.

clinical nursing instructor

Hazard Community College
February 2011 to August 2011

I was a clinical instructor for the RN and LPN nursing programs during the fall and spring semesters. I also proposed a plan to the nursing faculty of the importance of performing a clinical in the outpatient facility to strengthen the students' IV therapy skills. The nursing staff decided this was a great plan, and it is presently part of the nursing curriculum.

RN

Perry County Health Department
October 2008 to February 2011

I was the nurse at an elementary school with 500 students enrolled. I am certified in the state of Kentucky to perform well child physicals on all children age birth to 21 years of age.

RN Field Case Manager

Mary Breckinridge Home Health Department
February 2007 to October 2008

nurse/case manager on the road providing medical care to home health patients in 3 different counties.

PRN

Hospice Extra Care
September 2006 to February 2007

for extra care of Hospice. I went to patient's homes and residential facilities and assisted patients and families of patients that have terminal illnesses.

staff nurse on the Medical/Surgical

Mary Breckinridge Hospital
June 2006 to September 2006

floor.

RN Medicare Coordinator

Hazard Nursing Home
August 2005 to June 2006

I was responsible for all Medicare patients in the 200 bed facility. I was responsible for MDS coordinating of these patients, as well as all care plans and updated chart reviews.

RN supervisor

LKLP Adult Day Care

May 2004 to August 2005

of 5 staff members and 20 residents. My jobs included weekly skin assessments, monthly complete skilled nursing assessments, care plan updates, physician orders, administered all medications, and many other supervisor responsibilities.

staff nurse

Hazard ARH Medical Center

September 2003 to May 2004

on the oncology and medical/surgical floors.

RN

Mountain Clinic

August 2001 to September 2003

I worked in the clinic with many clinic responsibilities. I triaged patients, worked in the laboratory, and was professionally trained to perform EEG and NCV studies in the neurology clinic.

RN house float

Hazard ARH Medical Center

November 2000 to August 2001

float on all units of the hospital.
