Professional Experience

Resident	07/2021 – present
Medical College of WI & Affiliated Hospitals Milwaukee, WI	
Managed a team and cared for a maximum of 16 patients at a tertiary care center (Froedtert Hospital), Zablocki VA, and a community hospital (St. Joseph Ascension). Rotated on various inpatient settings including general medicine wards, ICU, cardiology (including CVICU), and leukemia.	
Ambulatory experiences included general internal medicine clinic at a community clinic which aims to mitigate health disparities by improving access to HIV care and providing comprehensive care to un and underinsured patients and the surrounding Hispanic community.	
Engaged in medical student teaching on wards and during dedicated medical student lectures, internal medicine noon reports, and QI. Completed various procedures including paracentesis, thoracentesis, lumbar punctures, and central venous lines.	

Activities/Leadership

American Medical Student Association
 National Environmental Health Advocacy Coordinator 05/2020 – 05/2021
 Our committee's mission is to advocate for policies surrounding climate change and to bring awareness to environmental justice. Specific issues worked on included advocacy in the divestment of fossil fuels.

Race, Ethnicity, and Culture in Action Committee Chair 06/2019 – 05/2021
 Our mission was to raise awareness about health disparities and helping create a safe space for students. Hosted chapter events for National Primary Healthcare Week, such as student panels, de-stressor event, and creating a community garden.
