Research relevant content
across the digital platform.

Ensure to maintain content
originality.

Proofread the draft using
online software.

Adhere to the word count and
the deadline.

Submission of the completed
project in order to get it
reviewed and approved by
the client.

I am deadline-oriented and
have an excellent mindset to
cultivate effective, attractive,
and unique content for digital
platforms. Therefore, I feel I
am ready to employ my
writing competencies for your
firm.

I have coupled my resume,
along with this letter to help
you understand my credibility.

I will truly appreciate an
opportunity to have a detailed
discussion on how I am
prepared to take up your
project.
