VOLUNTEER EXPERIENCE

CODECHEF STUDENT CHAPTER

- Competitive Programming Lead at Codechef_VIIT Student chapter. Conducted coding contests and workshops for students on regular basis.

PROJECTS

BLOG APP (MERN)

Personal project

- Created a web application with name BLOGAPP , which is used to create blogs on different categories.
- It is designed to revolutionize the way includes create, edit and delete their Blogs on website.
- With its user – friendly interface and robust features. This application is set to become your go-to platform for expressing your thoughts, sharing your experiences , and engaging with a community of like-minded individuals.
- Tech Stack: **ReactJs, ExpressJs, MongoDB, NodeJs, Css.**

AGRITECH APP (MERN)

Solving India Hackathon - VIIT (GFG)

- Created an Online Interacted platform connecting farmer with customers. The platform allows Investors to invest in the crops cultivated by farmers and receive the production, as mutual agreement.
- Farmers are able to accept the request for their crop based on their requirements and can make mutual agreement with the investor.
- The Platform also provides Weather report of their location, Crop-Soil Information. Farmers are able rent their Farm Tools.
- Tech Stack: **Nodejs, Expressjs, Mongoddb, Html**

MOVIES - API (REACTJS)

Personal Project

- It is a Frontend Project which uses a Moviesapi and displays the details of Movies Using ReactJS Components

EXPERIENCE

FULL STACK DEVELOPER INTERN | PRESENT

Insible Technologies Pvt Ltm

- Involved in creating FrontEnd For 4 Projects using ReactJs and also made state management using Redux .

ACHIEVEMENTS

- Achieved certification in Codechef DSA foundation level Examination.
- Ranked 1 in Vignan University's Coding Hackathon and won a cash prize of 1k.
- Ranked Top-10 In National Level Hackathon & won a cash prize of 2K.
- Ranked 4 in ANITS Cod-a-thon among 500+ participants.
- Selected for Round 2 in Solving India Nationala Hachthon conducted by GFG. (Team of 3)

CERTIFICATIONS

CODECHEF DATA STRUCTURES & ALGORITHMS

- Codechef Foundation Level Examination

INTRODUCTION TO MONGODB

- Mongodb course from mongodb.com
