INSTRUCTION

Please print as clear as possible, then laminate; OR save as image on your mobile device.

USAGE

When entering commercial establishments, government offices and other places of transactions, please present for scanning to record your check-in

HOW IS THIS USED

In case *Juan* tested positive of Covid-19 infection, HERTF will review *Juan's* relevant check-ins (e.g. was at *Pagkamoot Cafe* at 7pm on Aug. 9, 2020). HERTF will then check, "who else were there at *Pagkamoot Cafe* at this date, around this time?"

ALERTING YOU...

If the system matched that you happened to be there, HERTF* will alert you via call or SMS that, "you may have been in contact with *Juan*", and with your cooperation, appropriate health advise and care will be provided to you.
