Process flow

DEMO PRESENTATION & ACCEPETANCE

After the demo and acceptance, the next phases are:

PHASES AFTER DEMO

- ☐ Signing of SLA.
- ☐ Collection of school details. (email, website, phone number, school physical address.
- ☐ School Portal creation, using school official email.
- ☐ Collection of teachers information such as (*full name, State of Origin, DOB, Full residential address, phone number, date of employment, etc, all these will be listed on the data collection form*).
- ☐ Collection of Students, Parents data, this will go hand in hand with the collection of teachers data.
- ☐ Setting up school grading legend (secondary school)
- ☐ Creation of classes.

PHASES AFTER DEMO (cont'd)

- ☐ Creation of academic session (optional).
- ☐ Onboarding on teachers, parents and student.
- ☐ Assigning of Subjects to classes and assigning of subject teachers.
- ☐ Setting up the messaging feature for schools (*schools can decide to do this on their own, all we do is give them the bulk sms machine we are using*).
- ☐ Training and handing over.
- ☐ Support (3 months free)

THE END
