I am a dedicated and energized board-certified nurse practitioner dedicated to delivering safe and exceptional healthcare. With over 10 years of combined clinical and nursing experience, I am skilled at patient assessment, diagnosing, and formulating individualized treatment plans for patients with various medical conditions while staying current with the latest medical knowledge and equipment advancements. I possess strong interpersonal skills to maintain a strong and long-lasting therapeutic relationship. I have a true passion for learning which fosters my desire to grow as a nurse practitioner. I am excited to join a dynamic healthcare organization that prioritizes excellent patient care and values on-going professional development.

## WORK EXPERIENCE

### Palliative Care Nurse Practitioner

Aseracare Palliative Care

 2021-2023  Nebraska & Iowa

- Delivered high quality comprehensive medical care to home-based patients with a diverse range of medical conditions.
- Collaborated with multidisciplinary team to develop and implement patient care plans. Monitored and evaluated patient progress, adjusting care plans as needed including medication reconciliation, non-pharmacological interventions, and safely prescribed medications for complex symptom management.
- Educated patients and families on disease progression, treatment options, and available resources to empower informed decision making and enhance autonomy.
- Demonstrated expertise in ethical decision making when faced with complex medical dilemmas involving multiple stakeholders.

### Staff Registered Nurse

CHI Health Immanuel Hospital

 2019-2021  Omaha, NE

- Provided direct patient care on the COVID-19, ICU, SDU/Tele, Med-Surg, and Oncology/Bariatric unit.
- Demonstrated strong clinical skills including safe medication, therapy, and treatment administration per physician orders.
- Maintained accurate and timely documentation of assessments, interventions, evaluations, and communication per facility policy and procedures.
- Utilized critical thinking abilities to recognize and prioritize patient care in emergent and non-emergent situations
- Demonstrated leadership through assuming the role of charge nurse intermittently and served as a mentor and preceptor for newly graduated nurses, nursing students, and newly hired staff.

### Medical Surgical Oncology Nurse

Nebraska Medicine

 2018-2019  Omaha, NE

- Provided outstanding patient care to a diverse group of patients in the Medical-surgical unit and SDU.
- Assisted in coordinating referrals to services such as palliative care as indicated by patient need and prognosis.
- Demonstrated strong teamwork abilities by promptly responding to emergency situations to provide life-saving measures, educate families, and support co-workers.
- Promoted a safe and compassionate environment through building a therapeutic relationship, empathy, and active listening.
