EDUCATION

Swami Ramanand Teerth Marathwada University, Nanded 12/2020 – 06/2022
Master's In Computer Science (M.Sc) - CGPA - 8.94 *Nanded, India*

Science College, Nanded 07/2016 – 06/2020
Bachelor's In Science (B.Sc) - CGPA - 8.6 *Nanded, India*

PROJECTS

Library Management System [🔗](#) | [Spring Boot](#), [Hibernate](#), [MySQL](#) 09/2023

- Leveraged Spring Boot, Hibernate, and MySQL to create a feature-rich backend system with CRUD APIs for efficient library resource management
- Implemented real-time email notifications for book issuances, improving communication and user engagement within the library ecosystem
- Utilized Postman for thorough API testing and integrated Swagger for automatic API documentation generation, ensuring code reliability and developer-friendly documentation
- Simplified Java codebase using Lombok, reducing boilerplate code and enhancing code maintainability, making future development more efficient

Student Result Management [🔗](#) | [Java](#), [Swing](#), [MySQL](#), [JDBC](#) 07/2023

- It is a Java-based system designed to store and display student results securely
- It includes an admin section for data management and a student section for result access
- The project showcases Java, Java Swing, JFrame, MySQL, NetBeans IDE, and JDBC technologies for efficient development and functionality

Maze-Solver [🔗](#) | [Java](#), [Swing](#) 06/2023

- The Maze Solver application is a Java-based 2D grid that aims to find the shortest possible path between a starting and ending point within a maze
- Implemented the DFS algorithm responsible for finding the shortest path between the starting and ending points within the maze

EXPERIENCE

Cognizant Technology Solutions 11/2021 – 02/2022
Graduate Trainee *Pune, India*

- Employed as an L1 Technical Support in a voice process, handling calls from Canadian clients and providing effective solutions to their issues..
- Achieved a spot as one of the **top 5** performers from my team and consistently upheld a commendable CSAT score of 4/5.

TECHNICAL SKILLS

Languages : Java, SQL, HTML, CSS

Developer Tools : VS Code, Github, Git, Android Studio, NetBeans, IntelliJ, Postman

Technologies/Frameworks : Swing, JDBC, OOPs, SpringBoot, REST API, Hibernate/JPA, Swagger, Redis, Kafka

ACHIEVEMENTS & EXTRACURRICULAR

- Solved **500+** DSA questions on Acciojob Platform & improved my problem-solving skills
- **Anchor :** Represented as a anchor for an college event, addressed the audience with effective communication
- **Acting :** Social Organization - Acted in **3** street plays, including a lead role in **1**
- **Management :** College Fest - Actively participated and successfully organized a college event with my team

CERTIFICATIONS

- Java - Programming Hub
- SQL
- Data Structures & Algorithms in Java - AccioJob
- DSA with Java - Apna College
