Initial contact with Ms. Margaret Peters:

Ms. Peters is a recently graduated Physician Assistant looking to start a new position in July/August of 2022. She is interested in Full-Time opportunities and would ideally like to work a schedule with longer shifts and fewer days such as: 10 - 12 hours per day, 4 days per week.

At this point in her job search, Ms. Peters is open to Hospital Employed or Private Practice opportunities and would prefer to work with an institution that has experience working with Physician Assistants.

Ms. Peters feels what sets her apart as a provider is her science background. Her Physician Assistant certification was her 2nd Masters which also includes a Master of Health Science. Ms. Peters enjoys in the field of Urgent Care the variety and seeing patients from all demographics.

She is experienced with the following EMRs:

- Epic, Cerner

Ms. Peters is ready to begin interviewing with employers and currently needs about 2 weeks' notice prior to a formal interview to adjust her schedule. She is available for preliminary interviews via Skype or FaceTime.
