Jamia Nagar Okhla New Delhi
Mob- 8954545002 Email- zaidalikhan8954545002@gmail.com

Summary

Certified Front-End Web Developer skilled in HTML, CSS, Bootstrap, Sass, JavaScript, and JQuery. Proficient in crafting responsive websites for diverse devices. Delivered 30+ projects with various technology. Combinations

Carrier Objective

I will be thankful to the organization where I can enhance my development knowledge and my carrier.

Experience

I am a highly skilled web developer proficient in HTML5, CSS3, Bootstrap5, JavaScript, and JQuery. I have created over 30+ responsive websites, utilizing CSS concepts like float, flex, grid, and key frame. Animations for aesthetic appeal. My expertise extends to crafting hamburger menus, image galleries, and Sliders using HTML5, CSS3, Bootstrap, and Sass. I've converted 20+ PSD files into HTML layouts with clean, Well-commented code. Proficient in Git for version control, I excel in optimizing code readability and user Experiences. My knowledge spans pure CSS and HTML-based layouts, media queries, and JavaScript plugins, Making me a valuable asset for creating responsive, visually engaging websites.

Skills

Advance in HTML, HTML5, CSS, CSS3 Responsive Layouts, Media Query, Sass, and Bootstrap. Learning Advance JavaScript and server-side language, JQuery.

Education

I have completed a diploma in Front End Web Development from Mr. Rajdeep Dhakad from code easy academy.

Diploma in Civil Engineering From Shobhit University Gangoh Saharanpur (2020). I

completed 12th 2016 from Islamia inter college nanauta.

I completed 10th 2014 from Islamia inter college nanauta
