

My Nguyen PharmD. PA-S

Pinellas Park, FL 33781
Nguyenmyquoc@gmail.com

Summary of Qualifications

- Accomplished pharmacist with 9 years of management experience, currently on a transformative journey towards a physician assistant career. I bring a unique blend of pharmacy-based knowledge and diagnostic skills acquired through my PA program, poised to make a meaningful impact in healthcare.
- A seasoned team leader with a proven track record of fostering collaboration within pharmacy teams, I excel in efficiently processing a high volume of prescriptions in the fast-paced environment of community retail pharmacies.
- My exceptional interpersonal and leadership skills shine through in my successful relationships with a diverse range of stakeholders, including customers, healthcare professionals, pharmaceutical representatives, insurance providers, and healthcare organizations.
- My unwavering commitment to delivering high-quality patient care and ensuring swift and precise medication dispensing has been a driving force throughout my career.
- Fluent in Vietnamese, I am proficient in reading, writing, and speaking, adding a valuable dimension to my ability to connect with and serve a diverse patient population.
