Kisan Vidhyalaya

📅 2014 📍 Wedgaon, Tal-Gondpipari, Dist- Chandrapur

## INTERNSHIP

### Full stack Developer Intern

Solar Secure Solution

📅 2023 - Present 📍 Bangalore, Karnataka

Solar Secure solutions is an MSME(Govt. of India) organization working on various environmental issues such as solar energy services, water conservation, renewable energy projects, and eco-tourism Camps. I work as a full-stack developer intern here, responsible for building, deploying and maintaining internal web applications.

- Assisted in the development of both front-end and back-end components using Node.js, Express.js, and other relevant technologies.
- Implemented responsive and user-friendly UI components using HTML, CSS, and JavaScript libraries.
- Collaborated in designing and implementing database schemas using technologies such as MongoDB and MySQL.

## TRAINING

Shri Anand Nagari Sahakari Bank Ltd.

📅 05/2019 - 06/2019 📍 Chandrapur

Successfully completed specialized training focused on database management within the context of a banking environment. Acquired practical skills and theoretical knowledge in designing, implementing, and maintaining databases crucial for efficient banking operations.

## SKILLS

### Client-Side

HTML CSS JS Bootstrap

### Server-side

MySQL NodeJS

## PROJECTS

### E-Commerce Food Industry Website Using Nodejs

📅 07/2023 - 08/2023 📍 Chandrapur

Led the development and implementation of an E-Commerce website catering to the food industry using Node.js, contributing to seamless online ordering and delivery experiences for customers.

### Student Tracking System

📅 2019 - 2020 📍 Chandrapur

Collaborated on the development of a Student Tracking System, contributing to streamlined administrative processes and enhanced communication within an educational institution.

### Gym Website Front-End Development Project

📅 2019 📍 Chandrapur

Designed and developed the front-end of a gym website, showcasing proficiency in user interface (UI) design and front-end technologies to create an engaging and user-friendly online presence for the gym.
