

# TISHA WILLIS FNP-C

Cypress TX · 281-615-7601

[tishawillis01@gmail.com](mailto:tishawillis01@gmail.com)

Professionally trained Family Nurse Practitioner. Seeking a position within a dynamic company that will allow me to use my strong organizational skills, compassion to advocate for patients, and driven personality. Strong reputation for achieving high levels of patient satisfaction.

## EXPERIENCE

03/2022-CURRENT

**FAMILY NURSE PRACTITIONER**, Matrix Medical Network

Delivered high quality assessments for Adult/Geriatric members that entails thorough medical history, diagnosis, health education and treatment. Collaboration with Primary Care Physicians, physician referrals and case management referrals. Disease process education, medication education, fall risk assessments. Point of care testing utilizing A1c now plus, Fecal Immunochemical Test, and Urine Microalbumin Test.

04/2021-CURRENT (PART-TIME)

**FAMILY NURSE PRACTITIONER**, Exceptional Heights Medical Clinic

Delivered high quality medical care, referrals, coordination, and consultation to a diverse patient population with various conditions and minor illness using a hybrid approach. Care is provided via telehealth, in clinic, and field assessments. Performed comprehensive initial assessments on new patients. Diagnose, prescribe and treat patients, consistent with standard of care and within providers scope of practice.

06/2020 – 06/2021

**FAMILY NURSE PRACTITIONER**, WHITE ORCHID HOSPICE

Assess, evaluate, and manage patients with various life limiting conditions that includes cancer, copd, Alzheimer's, and heart failure. Symptom management to promote comfort/quality of life with patients and family's goals to ensure treatment of choice reflects their wishes. Face-to-Face encounters conducted with detailed information related to hospice diagnosis for certification purpose that aligns with CMS guidelines. Developed treatment plans to relieve nausea, pain, anxiety, urinary tract infections, and difficulty breathing, and stabilized high blood pressure.

08/2020 – 12/2020

**FAMILY NURSE PRACTITIONER INTERNSHIP**, MARGARET CARE CONCIERGE HEALTH SERVICES

Delivered high quality medical care, referrals, coordination, and consultation to diverse patient population with critical medical issues while in home setting. Worked with patients to improve key metrics like blood pressure, weight, diet, and lifestyle habits through education and feedback. Documented and tracked patient health metrics through EHR, providing feedback.

Worked with office staff to create a smooth flow for scheduling home visits, improving time spent on patients by 10%. Daily visit between 8-10 patients per day, assisting with acute and chronic concerns.

08/2013 – 06/2020

**POST-SURGICAL UNIT NURSE**, Tops Surgical Specialty Hospital

Performed head to toe physical and disease process assessment on complex patient with multiple co-morbidities. Collaborate with physicians and members of a multidisciplinary health care team to plan, manage, and assess patient's treatment. Performed patient teaching/ education as established by the department. Monitored patient vitals post-surgery, administered medications via multiple routes (IV, IM, PICC, Central lines), IV start and lab draws.
