SHUBHAM SINGH

Content writer

Hello, my name is Shubham Singh, I am a content writer, excited to make interesting content for a company. I'm here to learn and help create engaging stories together with your team.

Experience

- I have written scripts for some YouTube channels like motivational, facts, and movie channels.
- I have my own website where I write articles about spirituality, and I am also capable of writing articles related to other domains.
- You can evaluate my writing ability... (https://insightpathfinder.com/why-isspirituality-important/)
- I managed to get my website's article ranked on the first page of Google search within 3 weeks. Right now, my article is in the second position. (article keyword: Uncontrollable crying during prayer
- I've recently written a fictional novel, and I hope to publish it very soon.
