OBJECTIVE

Dedicated and highly skilled healthcare professional with a strong background in patient care, exceptional interpersonal skills, and excellent communication abilities. Seeking a challenging role that values composure under pressure and the performance of complex diagnostic and therapeutic procedures, where I can leverage my exemplary organizational skills to make a significant contribution

SKILLS

Exceptional interpersonal skills, demonstrated through effective patient interactions and collaborative teamwork.

Excellent oral and written communication skills, ensuring clear and accurate documentation of patient care.

Proven ability to maintain composure and work efficiently under pressure in high-stress medical environments.

Proficient in performing complex patient diagnostic and therapeutic procedures, with a strong commitment to delivering high-quality care.

Exemplary organizational skills, resulting in efficient and well-coordinated patient care processes.

Willingness to perform a wide range of related duties beyond the job description to support the healthcare team and improve patient outcomes.

EXPERIENCE

Emergency Response Flight Nurse 11/2022-

Present

United States Air Force

- Evaluated intensive care patients, recognized and addressed complications and coordinated treatment with other members of the critical care team.
- Delivered a high level of care to each and every patient from initial contact until delivery to the receiving hospital.
- Responded to emergency situations with speed, expertise and level-headed approaches to provide optimal care, support and life-saving interventions.
- Participated in continuing education programs and TNCC workshops to enhance training and nursing knowledge.

Aya Healthcare Travel Oncology Registered Nurse 04/2020-

Present

Interval employment contracts ranging 3-11 months per session as a travel nurse.

Worked inpatient oncology, inpatient Bone Marrow Transplant, outpatient infusion as well as clinic positions

Worked at well known medical centers including Duke University Hospital, University of Virginia, University of Louisville, Westchester Medical Center, Prisma Health

Recipient of the Daisy Award

Bone Marrow Transplant Registered Nurse 03/2019-

12/2022

Wake Forest Baptist Hospital
