Driven and compassionate Nurse Practitioner transitioning from a successful career in psychiatric nursing to delivering comprehensive and patient-centered care in a Nurse Practitioner role. Bringing over a decade of expertise as a Residential Counselor, adept in managing mental health conditions, and administering therapeutic interventions and medications. Eager to apply proven skills in assessment, diagnosis, and treatment planning to provide high-quality, empathetic care while continuously advancing clinical knowledge and fostering positive patient outcomes.

Work Experience

Registered Nurse

Worcester Recovery Center and Hospital - Worcester, MA
November 2021 to Present

Monitored and recorded patient condition, vital signs, recovery progress and medication side effects. Administered medications, tracked dosages and documented patient conditions. Oversaw patient admission and discharge processes to coordinate related paperwork.
