**University of Oklahoma (OU)** | Norman, OK  
**Bachelor of Science in Biology** | May 2019  
Minor: Business

**University of Central Oklahoma (UCO)** | Edmond, OK  
Post-Baccalaureate Studies | Aug 2019—June 2020

## CLINICAL EXPERIENCE

### **Preceptorship – Urgent Care | 4 weeks | *In progress***

*Immediate Care of Oklahoma* | Amanda Bodine, PA-C, Robert Todd, MD

Assisted with the evaluation and management of acute medical illness and injury at a high-volume urgent care clinic. Provided a broad range of general medical care to all ages. Determined patient level of acuity and risk assessment. Ordered and interpreted EKGs, X-rays, in-house laboratory tests, and other lab results. Performed laceration repairs, ear lavages, respiratory treatments, splinting, fluorescein stains, and pre-employment/sports physicals. Assisted with worker's compensation cases and DOT physicals.

### **Emergency Medicine | 4 weeks**

*Hillcrest Hospital South, Tulsa, OK; Okmulgee Memorial Hospital, Okmulgee, OK*

Assisted with patient triage and risk stratification, assessed high acuity patients and developed prompt plans for workup, diagnosis, and treatment. Participated in stroke and trauma activations. Assisted with intubations, central line placements, arterial line placements, cardiopulmonary resuscitation, cardioversion, and conscious sedation for fracture reduction. Performed venous duplex, obstetric, and FAST ultrasounds, dislocation reductions, splinting, laceration repairs, staple placement and removal, IV placement with and without ultrasound guidance, and incision and drainage of abscesses. Interpreted EKGs, CT scans, and X-rays prior to overread from physician and radiologist.

### **Underserved Medicine | 4 weeks**

*Dick Conner Correctional Center, Hominy, OK* | Bethany Wagoner, PA-C

Provided care to inmates, managing both acute and chronic conditions, as well as emergency cases. Familiarized with prison system and health-related risk factors. Developed creative plans for lifestyle changes with inmates. Performed punch and shave biopsies, suturing, staples, electrocautery, incision and drainage of abscesses, complex wound care, stroke/MI rehabilitation, mental healthcare, TB screening and treatment, and full Hep C workup and evaluations. Assisted with interpretation of EKGs, X-rays, and ultrasounds.

### **Surgery Clerkship | 8 weeks**

*Ascension St. John Medical Center, Tulsa, OK*

Assisted in trauma, vascular, podiatric, colorectal, oncologic, plastic, bariatric, and general surgeries. Participated in trauma activations at a level 1 trauma center. Assisted with chest tube, central line, and arterial line placement. Rounded on neurosurgical and cardiovascular ICU trauma patients and assisted in the management of ventilator settings. Performed inpatient preoperative and postoperative rounding. Assisted with outpatient surgical consultations and postoperative monitoring. Worked alongside anesthesia providers during sedation and intubation. Performed foley placement, laceration repairs, staple placement and removal, surgical sutures and knot tying, bone biopsies, FAST exams, NG tube placement, arterial dopplers, incision and drainage, electrocautery, and wound care in patients with vascular disease. Passed National Board of Medical Examiners shelf examination.

## **CLINICAL EXPERIENCE CONT'D**

### **Family Medicine Clerkship | 4 weeks**

*OU Family Medicine, Tulsa, OK*

Performed routine health exams, well woman exams, well child checks, geriatric care, and preventative care. Performed shave and punch biopsies and cryotherapy. Managed acute illness and injury. Provided exercise, nutrition, and tobacco cessation counseling. Assisted with vasectomy. Generated holistic care plans and placed appropriate referrals. Passed National Board of Medical Examiners shelf examination.

### **Internal Medicine Clerkship | 8 weeks**

*Ascension St. John Medical Center, OU Schusterman Clinic, Tulsa, OK*

Spent 6 weeks inpatient performing full history and physical exams, ordering and interpreting labs and imaging, developing differential diagnoses for acute and perplexing medical problems, and creating treatment plans. Rounded on hospital patients with an interdisciplinary team-based approach. Spent 2 weeks outpatient managing the primary care of patients with complex comorbid conditions. Performed preventative care education, lifestyle counseling, and worked alongside bariatric specialists. Passed National Board of Medical Examiners shelf examination.

### **Psychiatry Clerkship | 6 weeks**

*St. Francis Hospital, Laureate Psychiatric Hospital, OU Schusterman Clinic, Tulsa, OK*

Diagnosed and treated patients with depressive, anxiety-based, psychotic, bipolar, and substance use disorders, as well as patients requiring emergency psychiatric care in an inpatient psychiatric hospital, hospital consult service, and outpatient clinic. Performed full psychosocial evaluations, MMSE, AIMS exams, cognitive assessments, and suicide risk assessment and safety planning. Assisted with the management of medications, discussion of nonpharmacologic treatment strategies, decisions on appropriate placement and treatment, and ordering and interpretation of relevant lab testing. Passed National Board of Medical Examiners shelf examination.

### **Obstetrics and Gynecology Clerkship | 6 weeks**

*Hillcrest Medical Center, OU Schusterman, OK Cancer Specialists & Research Institute, Tulsa, OK*

Assisted with inpatient, outpatient, and surgical management of urogynecology, maternal-fetal medicine, benign gynecology, gynecology-oncology, and labor and delivery patients. Assisted with colposcopy, dilation and curettage, female sterilization procedures, IUD and implant placement, incontinence surgeries, Cesarean sections, vaginal deliveries, drain placement and removal, and post-partum hemorrhage. Performed foley placement, pelvic and breast exams, pap smears, STD testing, and counseling on birth control, sexual health, and expectant management of prenatal/postnatal care. Passed National Board of Medical Examiners shelf examination.

### **Pediatrics Clerkship | 6 weeks**

*St. Francis Children's Hospital, Hillcrest Medical Center, OU Schusterman Center, Tulsa, OK*

Assisted with the management of acute, chronic, perplexing, and emergent pediatric medical problems in an inpatient and outpatient setting. Performed well child checks and provided counseling to parents and pediatric patients on immunizations, milestones, medications, and lifestyle management. Performed hospital rounding, full history and physical exams, and newborn exams in the nursery. Assisted with lumbar punctures, newborn circumcisions, child abuse screening, and identifying at-risk youth. Observed newborn audiology and echocardiogram screenings. Familiarized with complex genetic conditions, pediatric endocrinology, pediatric psychiatry, and NICU care. Passed National Board of Medical Examiners shelf examination.

### **Program Selective – Adolescent and Pediatric Medicine | 2 weeks**

*Ascension St. John Medical Center, Tulsa, OK | Ashlyn Ahrens, PA-C, Anna Mae Kay, PA-C*

Further solidified skills in evaluation and diagnosis of pediatric patients. Performed ear lavage, well child checks, safety planning, appropriate lab and imaging orders, and medication management of asthma, behavior disorders, skin conditions, acute illness and injury, refractory infections, and other common pediatric conditions. Counseled parents on expectant management and educated about vaccinations.

## CLINICAL EXPERIENCE CONT'D

### Primary Care | 4 weeks

*Jenks Family Physicians, Jenks, OK | Ashley Shope, PA-C, Brent Wakefield, MD, Brian Lewis, MD*

Performed routine health exams, well woman exams, well child checks, geriatric care, and preventative care in a high-volume clinic with many interdisciplinary staff. Managed chronic conditions such as hypertension, type 1 and 2 diabetes, hyperlipidemia, asthma, COPD, CHF, CKD, arthritis, thyroid disorders, GI diseases, pain management, anxiety, depression, and ADHD. Managed acute illness and injury. Interpreted lab results, EKGs, X-rays, and referral reports. Performed ear lavages, punch biopsy, sutures, cyst removal, in-house labs, screening tests, and lifestyle counseling.

### Elective – Dermatology | 4 weeks

*Utica Park Dermatology, Tulsa, OK | Tara Linville, PA-C*

Assisted with diagnosis and treatment of routine and complex skin conditions at a high-volume dermatology clinic. Familiarized with numerous biologic pharmacologic therapies. Performed skin checks, punch and shave biopsies, cryotherapy, electrocautery, milia removal, and steroid injections. Assisted with minor surgical procedures such as excisional biopsies, nevus removal, cyst removal, and lipoma removal. Reviewed lab results, histology, and pathology reports. Observed Mohs surgery and phototherapy.

### Community Impact | 2 weeks

*Little Light House; Tulsa Day Center; Mental Health Association of Oklahoma, Tulsa, OK*

Provided care and other services to disadvantaged groups in the Tulsa community. Worked with children with developmental and genetic disorders in their learning environment, assisted with clothing and food needs of underprivileged individuals, and traveled in a mobile medical van as part of the Street Outreach and Rapid Response Team to provide healthcare and mental health support to those experiencing chronic homelessness.

### Physician Assistant Longitudinal Clinic | Sept 2022 – Sept 2023

*OU Family Medicine, Tulsa, OK*

Provided primary and preventative care for a panel of uninsured patients in a student-led clinic under supervision of OU attending physicians and PA faculty. Collaborated with nurses, social workers, pharmacists, and nutritionists to develop appropriate treatment plans, connect patients with resources to meet needs, and ensure proper follow-up and continuity of care.

### Bedlam Evening Clinic | Sept 2022 – Sept 2023

*OU Family Medicine, Tulsa, OK*

Provided acute and primary care for uninsured patients in an after-hours clinic under the supervision of OU attending physicians and PA faculty.
