

Babatunde Yusuf Folorunsho

Frontend Dev, Marketer, Graphics Design, Entrepreneur, UI/UX.

I have a strong command of HTML, CSS, JavaScript, and a diverse array of contemporary web development frameworks and tools, including React, Vuejs, Nextjs, Angular, Expressjs, Bootstrap, Material-UI, Nodejs, Tailwind-CSS, and MongoDB. I'm dedicated to remaining current with the latest advancements in web technology to ensure that my work remains at the forefront of innovation.
