PROFESSIONAL EXPERIENCE

Patient Care Assistant, Emergency Department Holland Hospital, Holland, MI

Jun 2020 - Dec 2020

- Operated as a team member to respond quickly to all manner of medical emergencies, ranging from minor to life-threatening, as well as mental health emergencies.
- Performed vitals, screenings, triage, EKG's, wound care, splinting, and patient assistance.
- Provided essential clerk duties to manage patient care between providers and arrange transport when needed.

Certified Nursing Assistant Resthaven Care Center, Holland, MI

Jun 2019 - Jun 2020

- Functioned as a team member to promote the safety and quality of life for all residents under our care with zero serious accidents or injuries.
- Assisted with activities of daily living to varying degrees with each resident, in order to provide a comfortable and healthy living environment.
- Adhered to all HIPAA laws to maintain the privacy and security of every resident, ensuring zero breaches in confidentiality.
- Cared for residents in differing stages of life, ranging from rehabilitation to the final years of life.

Aviation Radar Technician/Supervisor and Quality Assurance Representative United States Marine Corps, MCAS New River, NC

Dec 2013 - Dec 2017

- Served as the primary mentor for 30+ junior employees in all work and personal matters, including confidential issues.
- Scheduled Marines for professional development, annual training requirements, and vacation while ensuring an adequate workforce is present for daily operations.
- Instructed water survival training for over 200 employees at a time, for a total of over 2000 Marines, engaging participants through the use and demonstration of American Red Cross/United States Marine Corps safety protocols.
- Enforced maintenance safety and risk management practices to include both equipment and personnel safety.
- Proposed changes to the training manual resulting in the elimination of 720 wasted man-hours, quarterly.
- Conducted technical inspections, supervised troubleshooting and test diagnostics procedures, managed equipment repair and Quality Control, and maintained logs and records for over \$15M worth of equipment.
- Oversaw an excess of 2100 man hours of technical Training for over 60 employees over a 9 month period, resulting in higher qualifications for eight Marines (Jun 2016 through Mar 2017) as well as a Navy and Marine Corps Achievement Medal.

Ryan M. Butterfield

CLINICAL EXPERIENCE

Emergency Medicine

Sep 11 - Oct 6

Trinity Health St. Mary's, Grand Rapids, MI

- Exercised every opportunity to assist with or observe more critical patients, including all those that arrived in the trauma bays, working with many different providers.
- Continuously sought out each chance to perform any indicated procedures, including: suturing, abscess drainage, wound care, collecting arterial blood gas samples, casting, and nerve blocks.
- Held the responsibilities of initial history and physicals, followed by presentation to the assigned preceptor with a plan intact, including patients arriving via EMS.

Family Medicine

June 26 - Sep 8

University of Michigan Health West, Lowell, MI (and Exalta Health, Grand Rapids)

- Spent one day every week at a low-income clinic with a predominately hispanic/immigrant population, providing healthcare to patients who otherwise had none.

Internal Medicine, Outpatient

May 29 - June 23

Spectrum Health Medical Group, West Pavillion, Wyoming, MI

- Saw patients of adult age, performing history and physical for acute and chronic concerns.

Internal Medicine, Inpatient

May 1 - May 26

Holland Hospital, Holland, MI

- As a team member, oversaw care for hospitalized patients, functioning as a liaison for other specialties, arranging and working directly with consulting providers, including working as the admitting advanced practice provider, taking all consults from the emergency department and beginning the process of hospital admission.

Cardiology (Elective)

Mar 27 - Apr 28

West Michigan Cardiology, Grand Rapids, MI

- Observed and interpreted myocardial perfusion imaging, echocardiograms, electrocardiograms, and lab work for all patients and spent time in the operating room during cardiac catheterization and revascularization procedures.

Surgery

Feb 27 - Mar 24

Beaumont Hospital, Royal Oak, MI

- Observed and assisted in a general surgery team alongside medical students, residents, and attendings, taking part in several Whipple procedures, cholecystectomies, and liver biopsies. Assisted with one vascular surgery.

Rural/Underserved Medicine

Jan 30 - Feb 24

University of Michigan Health West, Wayland, MI

- Ordered and interpreted X-rays, rapid antigen tests, routine lab work, cultures.

Obstetrics and Gynecology

Jan 2 - Jan 27

Ingham Community Health Center, Lansing, MI

- Performed and interpreted pelvic exams, in-office wet mounts, and periodic pregnancy visits including measuring of fundal height, non-stress tests, and fetal heart tones via doppler for a patient population was mostly between the ages of 18 and 49 and of low-income/immigrant status.

CERTIFICATIONS AND AWARDS

- ACLS/BLS Apr 2022
- West Michigan Veteran Coalitions Scholarship Oct 2021
- Navy and Marine Corps Achievement Medal May 2017
