Golden Scaler Award 2016 - The Golden Scaler Award is presented annually to a dental hygiene student who demonstrates not only clinical excellence, but also exemplifies professional initiative and upholds high ethical standards in all aspects of patient care and the most important, they put their patient and peers before themselves. As faculty and doctors, we consider this the most valued award of all. This award is not talked a lot about because this award has more to do with what is on the inside and how it impacts the program, their peers and their patients.
