inDepth Interview

Interviewer: Michelle Campbell
 Interview Date: 11/1/2023
 Interview Modified: 11/2/2023

Dr. Mogili is a certified physician trained in India. After coming to the US, she did not match for a residency program so she decided to take the route of a Physician Assistant, in which she is certified. She is looking for jobs in TN specifically due to a new law passed that allows foreign trained physicians to work under a US physician and receive certification in that way. See her note below:

"As per new Tennessee law, International medical graduates can work under a physician for 2 years in a hospital affiliated with the residency program. So, I was looking for a hospital program opportunity that is affiliated with a residency program that accepts IMG physicians."

Dr. Mogili is interested in:

- Full-time
- Hospitalist roles
- Would like to be a hospitalist and work in a teaching hospital with research opportunities
- Prefers 5/5 or 7/7 schedule
- Day shift only, no nocturnist roles please
- Prefers to see 15-20 patients per day
- Hospitals affiliated with residency program
- Comfortable running codes
- Comfortable with RRT

Procedures Dr. Mogili is comfortable performing:

- Lumbar Puncture
- Central Line Placement
- Endotracheal Intubation

EMRs used:

- Epic
- eClinical Works
- Meditech
- Athenahealth

Interview Preferences:

- Prefers email outreach
- Ok with virtual interviews
- Needs 1 week notice to accommodate onsite interviews
