**Highlights:**

- Successful prior career as a high school teacher for 11 years, allowing development of professionalism and interpersonal skills
- Primary Care residency track within a strong categorical IM residency program, with primary care targeted enrichment and mentorship activities
- Excellent academic credentials and clinical training

**Dr. Burge is interested in:**

- Full-time
- Primary care roles
- Open to M-Th and M-F schedules
- Comfortable seeing a max of 20 patients per day
- No inpatient duties
- Minimal weekend/call duties
- Strong support staff and assistance with administrative duties
- Reasonable patient census with time to grow panel and allow for new patients and complex visits
- Opportunities to collaborate with colleagues

**Preferred practice setting:**

- Group practice
- Employed physician practice

**Dealbreakers:**

- Geographic location
- Excessive workload and/or administrative burden
- Inadequate compensation relative to panel size and responsibilities

**EMRs used:**

- Epic

**Interview Preferences:**

- Prefers email outreach
