Initial contact with Ms. Susana Nwosu :

Ms. Nwosu is a Nurse Practitioner interested in Full-Time opportunities, beginning January 2020. Ms. Nwosu has 2 months of practice experience.

At this point in her job search, Ms. Nwosu is interested in Hospital Employed or Private Practice opportunities. She is flexible in terms of Group size.

She is experienced with the following EMRs:

- Meditech

She would prefer to work a schedule of 7 on 7 off; 10- 12 hour shifts. Monday through Friday is a possibility but not ideal with a family .

Ms. Nwosu works extremely well with the population that she serves. She is able to build a therapeutic alliance with patients that many people are unable to do. She thrives in a fast-paced environment and enjoy working with acutely ill patients. Ms. Nwosu works with immense integrity and enjoys working in a collaborative manner. She is extremely reliable, open, honest, and looking to improve her patients lives. She is committed to being the best provider that she can be. Ms. Nwosu truly cares about her patients and has never become hardened to the situation or environment, which can occur in an inpatient environment. The therapeutic bond that Ms. Nwosu creates with her patients encourages them to follow their treatment plan and this is what improves patient outcomes.

Ms. Nwosu is ready to begin interviewing with employers and currently needs 2 days' notice prior to a formal interview to adjust her schedule. She is available for preliminary interviews via Skype, FaceTime, or another web conferencing service. Ms. Nwosu does have her formal CV up to date and it is available from her upon request.
