Dr. Robert Giannetti is seeking a new position in Internal Medicine beginning in July 2024.

Ideally, Dr. Giannetti states he is either seeking a position as a Hospitalist or in an Internal Medicine, primary care setting. As a Hospitalist, he states he would like to work with residents or private in a hospital with a rapid response team, closed ICU, and no procedures required. In Internal Medicine/Primary Care, Dr. Giannetti states he would like to have his own schedule and patients and allows for flexibility to pursue per diem, locum, or rehab jobs on the side. He states he is open to all schedules. Dr. Giannetti states he is comfortable running codes. He expresses his interest in Direct Primary Care, Group Practice, and Employed Physician Practice settings, as well as his experience with Epic, Cerner, and Practice Fusion EMRs. Dr. Giannetti states he aspires to have a fulfilling job working to help others and gain experience to eventually be able to pass on his knowledge in an academic role. When asked what qualities or attributes have best served him as a physician and an individual, as well as what potentially sets him apart, Dr. Giannetti states his ability to lead and manage a large caseload with his team of residents, as well as his communication skills with his colleagues and patients.

Geographically, Dr. Giannetti states he seeking positions in New Jersey (specifically northern and eastern including Morris, Passaic, Bergen, and Union counties) and New York (West Chester, 5 boroughs, Rockland county).

Regarding an in-person interview, Dr. Giannetti states he would prefer a notice 3-10 days before the said interview. He states he can attend virtual interviews and is open to email, phone call, or text as initial contact regarding a position.
