ABOUT

As a recent graduate with a degree in Information Technology, I bring a strong foundation in cutting-edge technologies and a passion for innovation. My coursework and hands-on projects have equipped me with a solid understanding of programming languages, database management, and system analysis. With a keen eye for detail, I excel at troubleshooting technical issues and collaborating with multidisciplinary teams. My proactive approach to learning ensures that I stay up-to-date with the latest industry trends. I am eager to apply my skills and enthusiasm to contribute to a dynamic IT team, while continuously expanding my expertise.
