Professional Experience

Hospitalist / Assistant Professor

West Virginia University Ruby Memorial Hospital | July 2020 - July 2023

- Rotated day, admitter, and night shifts at a tertiary care academic center
- Triage transfer and admission calls from external hospitals
- Provided medicine consults for inpatient surgical specialties
- Supervised residents and mentored medical students
- Worked at a WVU campus community hospital (Fairmont Medical Center)
- Performed nursing home telehealth visits during the COVID-19 pandemic
- Managed code blues on floors

Teaching Experience

Academic Hospitalist – Guided residents on evidence based and compassionate care of inpatients from admission to discharge on the Hospitalist service. Supervised Code Blues and bedside procedures (paracentesis, lumbar puncture). Rounded on medicine consults with residents.

Internal Medicine Residency Hospitalist Track – Mentored residents interested in a hospitalist-based career and helped set up away rotations at community hospitals. Assisted in developing and leading the track.

Physical Diagnosis and Clinical Integration Preceptor – Evaluated first and second year medical students with focus on obtaining histories, performing physical exams, documenting formal notes and presenting cases

Awards

Mrs. Sakarba Vasanji Dedhia Foundation Award for Outstanding House Staff Rotating in Pulmonary and Critical Care Medicine -2018

Committees

Hospitalist Educational Committee - Reviewed the hospitalist rotations for areas of improvement and provide educational lectures to residents during noon conference.

Internal Medicine Residency Committee - Evaluated IM residents during meetings with department staff and administrators.
