Honors & Awards

Finalist (Back End Developer Intern) - HNG Internship

2020

I successfully completed all 10 stages of the highly challenging HNG (Hotels.ng) internship program, standing out among the initial cohort of over 12,000 participants. The program demanded technical expertise and determination, allowing me to enhance my skills in web development, UI/UX design, and digital marketing. The rigorous evaluation process ensured that only the most dedicated and talented individuals progressed. By demonstrating

1

adaptability, learning ability, and problem-solving skills, I contributed to team success. Working remotely with diverse interns improved my collaboration and communication skills. Overcoming challenges, I remained committed and motivated, leading to my successful completion. This internship added significant value to my skill set, fostering a sense of accomplishment and resilience. The knowledge and experience gained will greatly contribute to my future career success.
