Education

(In View) ,Mathematics

University of Lagos

2022 / Lagos, Nigeria

- Analytical thinking: As a mathematics student, I have developed strong analytical and problem-solving skills that are transferable to UX design.

Projects

Phantom Anonymous Web-app ([Link to project](#))

May, 2023 - June 2023

1. UI designer

- Creating visually appealing and consistent design elements, developing intuitive and interactive user interfaces, building interactive prototypes that showcase the app's functionality.

2. UX researcher

- Conducting user research to understand target users' needs and preferences, creating user personas to represent different user types, conducting usability testing to gather feedback, and analyzing user feedback to iteratively improve the app's user experience.

Projects

"My task future" to do-list mobile app ([Link to project](#))

Jan, 2023 - Feb 2023

1. UX researcher

- Conducting UX research through surveys and interviews to identify pain points and user needs, and used the findings to inform the design of the app's user interface and features.

2. Product Designer

- Designed wireframes, prototypes, and high-fidelity visual representations of the app's user interface, and made design decisions based on principles of usability, accessibility, and visual hierarchy.

Experience

Technology Instructor | Digital Art Library

Sep 2022 - Nov 2022 / Lagos, Nigeria

- Taught students how to effectively use Microsoft Office products, including Word, Excel, and PowerPoint
- Instructed students on the fundamentals of UI design using Figma, covering topics such as wireframing, prototyping, and design principles
- Developed curriculum and lesson plans to meet the specific needs of each class
- Provided individualized assistance and feedback to students to enhance their learning experience

Skills

Design

UX strategy,
User flows,
Concept sketches,
Experience mapping,
Wireframes,
Prototypes,
Mockups,
Design systems

Research

User interviews,
Usability testings,
Persona hypothesis,
Competitor analysis,

Tools

Design

Figma, Adobe
Photoshop, Canva

Research

ChatGPT, User surveys
and interviews, Usability
testing

Product / Project
Management

Microsoft Office
