

# HARIS SOHAIL

Dynamic and accomplished physician poised to leverage comprehensive training and exceptional clinical acumen in pursuit of a Hospitalist position. Recently distinguished as the recipient of the Best Resident in Academics award at my residency program, I am equipped with a proven track record of consistently achieving the highest scores. Proficient in procedural skills and Point-of-Care Ultrasound (POCUS), I am adept at delivering superior patient care and navigating challenging clinical scenarios. My training in the demanding healthcare environment of South Bronx, NY, has fortified my resilience and prepared me to excel in diverse and high-pressure settings. Eager to contribute expertise, dedication, and compassion to enhance patient outcomes and drive operational excellence within your esteemed institution.

## EDUCATION AND QUALIFICATIONS

-  Jun 2007 - Jun 2010 **Gce O**  
Divisional Model College, Faisalabad/Pakistan
-  Jul 2010 - Jul 2012 **GCE A levels**  
Divisional Model College, Faisalabad/Pakistan
-  Dec 2012 - Mar 2018 **MBBS**  
Punjab Medical College, Faisalabad/Pakistan

## WORK EXPERIENCE

-  Apr 2018 - Apr 2019 **House Officer**  
Allied Hospital, Faisalabad/Pakistan  

Served as a House Officer in Pakistan, where I received invaluable training in the foundational stages of my medical career. This formative experience equipped me with a solid understanding of clinical practice and honed my diagnostic and patient care skills
-  Jun 2019 - May 2021 **Medical Officer**  
THQ Hospital, Nankana Sahib/Pakistan  

Demonstrated expertise as a Medical Officer in a secondary care hospital, where I provided comprehensive medical care to a diverse patient population. This role afforded me opportunities to refine my clinical decision-making abilities, collaborate with multidisciplinary teams, and manage a wide range of medical conditions effectively with limited resources
-  Jul 2021 - Present **Resident Physician**  
Lincoln Medical Center/NYCHHC, NewYork  

As a Resident Physician in Internal Medicine at one of NYC's busiest hospitals, I thrived in a fast-paced environment, managing diverse patient cases and collaborating with interdisciplinary teams. This experience shaped me into a skilled and compassionate physician, providing robust training and exposure to cutting-edge medical practices. It honed my clinical skills, kept me abreast of the latest advancements, and instilled in me the resilience needed to excel in the field of medicine
