inDepth Interview

Interviewer: Lexi Bower Interview Date: 8/21/2023

Interview 8/21/2023
Modified:

Dr. Khsif Khan is an Internal Medicine Resident interested in full time Hospitalist opportunities beginning August of 2024. He does not want to work in open ICU/run codes, or perform procedures. He prefers 7on/7off initially so he could work extra if needed but he would be ok with M-F outpatient schedule for a comparative salary and benefits. He does not want to work nights or be on call after work. He prefers a good work/life balance.

Dr. Khan is looking for a good satisfactory job where he can build a long-term relationship. He brings experience with EPIC EMR system. He has excellent bedside manners. He treats patients with a genuine interest in their care. He is able to get along with all the nursing and all the staff can rely on him. In 3 years of residency, he has never called in sick once and has never missed by schedule.

Geographically, he is looking for opportunities in Orlando and suburbs, Florida, Tampa and suburbs, Florida, Fort Lauderdale and suburbs, Florida. He is willing to drive up to 45 minutes to max 1 hour out of these locations. He is finishing his residency in Michigan and is applying for Florida license very soon. With that being said, he is available for interviews given notice.
