PROFESSIONAL EXPERIENCE

Nurse Practitioner

Xpress Wellness Urgent Care – Catoosa, OK **10/2022 – current**

Sole provider in busy urgent care responsible for evaluating and treating many acute and chronic conditions. Average 40-60 visits per day. Perform a variety of minor bedside procedures, conduct DOT exams, and evaluate and treat workers compensation injuries.

Nurse Practitioner Educator

DaVita IKC / Nightingale Clinical Care **05/2022 – 07/2022**

Assisted in providing ongoing education to nurse practitioners throughout DaVita IKC. Presented continuing learning and updates on core topics include CHF, diabetes, hypertension, kidney transplant, renal replacement therapy, depression, COPD, and post MI treatment guidelines.

Lead Nurse Practitioner

Nightingale Clinical Care – Riverside/San Bernardino, CA **08/2020 - 07/2022**

Responsible for delivering comprehensive clinical care and case management to ESRD patients on dialysis as well as post kidney or dual kidney/pancreas transplant patients. Functioned as team leader to a RN and care coordinator to ensure gaps in care for patients were identified and addressed. Completed onboarding and training of all new hire nurse practitioners as well as ongoing competency checks for established NPs. Functioned as EMR super user to provide updates and documentation guidelines to all providers.

Family Nurse Practitioner

Perlman Clinic – Telemedicine San Diego County, CA **07/2020 – 11/2020**

Per diem telemedicine provider for family practice and urgent care, serving diverse populations including pediatrics to geriatrics.

Family Nurse Practitioner

Cross Country Locums **07/2020 – 08/2020**

COVID-19 testing

Family Nurse Practitioner

Inland Urgent Care - Riverside County, CA **02/2019 - 03/2020**

Sole urgent care provider responsible for evaluating and treating wide ranges of diagnoses and serving diverse populations including pediatrics to geriatrics. Average 30-60 visits daily.

Family Nurse Practitioner

Rancho Santa Fe Medical Group

04/2019 - 04/2020

Family practice nurse practitioner specializing in mobile services. Responsible for seeing primarily geriatric family practice population. Evaluated, treated, and managed a wide range of acute and chronic conditions including hypertension, diabetes, heart disease, and dementia. Able to see patients in different settings such as in home, skilled nursing facilities, adult day care, and board and care facilities.
