## **OBJECTIVES:**

I am a recent graduate from Eastern Michigan University who is motivated to seek full-time employment. I want to be able to showcase my knowledge and skills gained through education and prior experience to become irreplaceable and make a positive difference in the company I am in. Facing adversity is my strong suit as I have been geared toward problem solving at a young age in a variety of fields. With my determination and hard work ethic, I am ready to grow and build relationships to better the company as well as my own goals.
