Experienced healthcare professional with 10 years of expertise in the US Healthcare System. Fluent in English, French, Creole, and Spanish, I'm driven by enthusiasm to provide top-tier care to diverse patient populations.

EMPLOYMENT SUMMARY

Psychiatric Mental Health Nurse Practitioner – NeuroBehavioral Hospitals: West Palm Beach, FL

June 2023 – ‘Till Now

- Provides psychiatric consultation, diagnosis, and treatment services including medication management and crisis intervention. Maintains proper documentation to demonstrate compliance with supervision requirements. Conducts comprehensive assessments, developing care plans, and evaluating the effectiveness of interventions, with revisions as necessary. Initiates, monitors, and alters medications and treatments according to approved protocols, while adhering to all requirements and practice standards relating to medication administration, documentation, and education.

Telehealth Physician Assistant – Alina Community Center At Mount Dora: Mount Dora, FL

August 2021 – May 2023

- Performed virtual psychiatric assessments, diagnosed conditions, and prescribed treatments following evidence-based guidelines. Educated patients on health, medications, and self-care via virtual interactions for comprehensive care. Collaborated with interdisciplinary teams, maintained precise electronic health records, and ensured telehealth standards compliance.

Community House Physician/Certified Surgical Assistant - Jackson Health System: Miami, FL

January 2014 – July 2021

- Obtained history and physical on all patients within 24 hours of admission or prior to surgery or other invasive procedures. Participated in call schedule and reports for duty within 30-minute response time for surgical cases. Performed other related duties as assigned.
