EDUCATION

Hallmark University **Bsc Computer Science**
First class Honours
2013-2017

WORK EXPERIENCE

REMOTE FULL-STACK DEVELOPER, FILLY-CODER (2021-2023)

As a Full Stack Developer at Filly-coder, I played a pivotal role in developing a user-friendly HR Dashboard for employees. This dashboard included features for quarterly and annual training, enhancing the overall user experience.

My work at Filly-coder showcased my ability to create solutions that catered to user needs, bridging the gap between frontend and backend development.

**REMOTE FULL-
STACK POWERLINE
TECHNOLOGIES
(2022-2023)**

I played a pivotal role at Powerline technologies in developing multiple web applications, including:

Anonymous Confession Web App: I contributed significantly to creating a secure and user-friendly platform for anonymous confessions.

Skincare Ecommerce Site: I contributed to the development of an efficient e-commerce platform for skincare products.

Fashion Ecommerce Site: I played a part in crafting an engaging online shopping experience for a fashion e-commerce site.

**FULLSTACK
INSTRUCTOR, NEW
HORIZONS
(2021-2023)**

As a Fullstack Instructor at New Horizons, I've had the privilege of sharing my expertise in web development with aspiring professionals. Guiding students through the intricacies of fullstack development, I've facilitated their growth and success in this dynamic field. Passionately dedicated to fostering the next generation of tech talent.

**FRONTEND
DEVELOPER AT
BABMORGAN
NIGERIA LIMITED
(2017-2018)**

As a Frontend Developer at Babmorgan Nigeria Limited, I played a key role in crafting the UI for a School Portal, focusing on creating an engaging and accessible interface that improved communication between the school admin and their students.
