## Professional Overview

Highly skilled pharmacist with over ten years of experience providing quality pharmaceutical care in community, clinical, and hospital settings. Proficient in partnering with cross-functional teams, demonstrating excellent leadership competency, and meeting project goals.

Bringing my advanced knowledge of clinical research and operations, clinical data analysis, regulatory compliance, and versatility to the healthcare industry.

## Professional Experience

### PHARMACIST | October 2019- 2020

CVS Health, Fort Wayne, IN

- Process and dispenses high volume prescription orders in fast-paced environment, ensuring the accuracy and authenticity of each order is maintained.
- Collaborates with multidisciplinary healthcare team to provide satisfactory patient-centered therapy plans.
- Organized and delivered community outreach health screenings, immunizations, and health education.
- Readily available in-person and virtually to provide individualized patient counseling on prescription products.
- Utilize drug literature resources to respond to drug information queries from healthcare providers.
- Participates in training associates, accomplishing store metrics and company programs.

### PHARMACY INTERN | August 2016 – September 2020

Walmart Pharmacy, Fort Wayne, IN

- Assisted the pharmacists in a fast-paced, high-volume store to accurately process and dispense prescription orders.
- Provided third party assistance for billing and cost-effective options for patients.
- Counseled patients on over-the-counter products and followed up to ensure medication adherence.
- Provided clinical services such as immunizations, basic health screenings, and medication therapy management (MTM) at patient's request.
- Assisted the pharmacists to answer drug information questions from healthcare providers.
