Profile:

- Seeking a challenging position as a Family Nurse Practitioner, utilizing my extensive experience in providing comprehensive care to diverse patient populations. Committed to delivering high-quality healthcare services, diagnosing and treating acute and chronic illnesses, and promoting preventative care. Dedicated and compassionate professional aiming to positively impact individuals' health outcomes through evidence-based practice and patient education.

Professional Summary:

- Dedicated Nurse Practitioner with 7 years of experience treating chronic and acute conditions. Gathers medical histories and educates patients on disease prevention and general wellness. Explains diagnosis and prognosis and provides referrals to learning resources to help foster patient understanding.

Work Experience:

- ***Keowee Primary Care and Internal Medicine, Seneca, SC*** (08/2016 – 03/2023) *Nurse Practitioner*
 - Provided comprehensive patient care by conducting thorough assessments, diagnosing illnesses, and developing individualized treatment plans to promote optimal health outcomes.
 - Collaborated with interdisciplinary healthcare teams to coordinate and manage patient care, ensuring seamless transitions between different healthcare settings.
 - Administered a wide range of medical treatments and procedures, including vaccinations, wound care, and medication management, in accordance with established protocols and best practices.
 - Educated patients and their families on disease management, prevention strategies, and healthy lifestyle choices, empowering them to actively participate in their own healthcare journey.
 - Educated patients on disease prevention and health maintenance, providing informational handouts or referrals to learning resources.
 - Performed initial and periodic physical examinations to evaluate patient needs.
 - Addressed Patient questions and explained diagnosis, treatment and prognosis.

- Collaborated with physicians in managing acute and long-term medical needs, including continuity of care between physician visits.
- ***Medi Urgent Care, Seneca, SC (08/2016-Present PRN)***
- ***Registered Nurse at NICU & Neuro-telemertry, Anmed Health Center, Anderson, SC (Feb 2010 to Mar 2011)***
