## WORK HISTORY

---

**Registered Nurse, Pediatrics**, 12/2019 - Current

**Anmed Health** – 2000 East Greenville St Anderson SC 29621

- Collaborated with physicians to quickly assess patients and deliver appropriate treatment while managing rapidly changing conditions.
- Administered medications via oral, IV, and intramuscular injections and monitored responses.
- Administered medications and treatment to patients and monitored responses while working with healthcare teams to adjust care plans.
- Educated patients, families and caregivers on diagnosis and prognosis, treatment options, disease process, and management and lifestyle options.

**Clinical Nurse Educator**, 08/2022 - 05/2023

**Lander University** – 320 Stanley Ave, Greenwood SC, 29649

- Oversaw work of nursing student technicians and externs to educate on proper procedures and how to prioritize care tasks.
- Provided individualized instruction to struggling students.
- Assessed student knowledge levels and abilities with detailed assessments.
- Contributed educational and clinical expertise to help optimize training courses and boost student learning.

- Collaborated with other preceptors and instructors to enhance student experience.

### **Telephone Triage Registered Nurse, 03/2021 - 07/2022**

#### **1st Call Triage – Remote**

- Counseled patients via telephone according to established guidelines and protocols, advising on provider-established plans of care.
- Relayed triage information and facilitated communication between provider and patient concerning patient disposition.
- Obtained case history and gathered triage information to determine appropriate avenue for care.
- Scheduled appointments for patients not requiring emergency services but needing examination from provider and consulting directly with provider.

### **Registered Nurse, Emergency Department, 01/2013 - 12/2019**

#### **Anmed Health – 800 N Fant St Anderson SC 29621**

- Collaborated with physicians to quickly assess patients and deliver appropriate treatment while managing rapidly changing conditions.
- Administered medications via oral, IV, and intramuscular injections and monitored responses.
- Administered medications and treatment to patients and monitored responses while working with healthcare teams to adjust care plans.
- Educated patients, families and caregivers on diagnosis and prognosis, treatment options, disease process, and management and lifestyle options.
- Monitored patient condition by interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.
- Documented treatments delivered, medications and IVs administered, discharge instructions, and follow-up care.
- Provided skilled, timely and level-headed emergency response to critically-ill patients.

### **Registered Nurse, Long-Term Acute Care, 09/2010 - 12/2012**

#### **National Health Care Associates Inc. – 1405 E. Greenville St. Anderson SC 29621**

- Advocated for patients by communicating care preferences to practitioners, verifying interventions met treatment goals and identifying insurance coverage limitations.
- Educated family members and caregivers on patient care instructions.
- Implemented care plans for patient treatment after assessing physician medical regimens.

### **Licensed Practical Nurse, 08/2010 - 03/2012**

#### **National Health Care Associates Inc. – 1405 E. Greenville St. Anderson SC 29621**

- Helped long-term care residents with bathing, dressing, feeding, and other daily living activities.

- Coordinated patient transfers to other facilities.
- Developed and implemented individualized patient care plans.
- Circulated assigned floor to measure and record patients' fluid and food levels, implementing measures to promote healthy intake and output as necessary.
