## PERSONAL PROJECTS

Muscle Meals
Nutrition(https://musclemealsnutrition.com/)
(2022 - 2023)
- My responsbility is to design a visually appealing and user-friendly platform that effectively communicates the brand's mission and offers a seamless user experience. The website will be tailored to meet the needs of fitness enthusiasts, athletes, and individuals seeking healthy and nutritious meal options.

Seleste (https://selestebysristi.com/) (2022 - 2023)
- My primary objective is to design a visually stunning and user-friendly platform that showcases the latest fashion trends, products, and styles. The website will be targeted towards fashion-conscious individuals, allowing them to explore, shop, and stay updated on the latest in the world of fashion.
